Issuing Procurement Unit, Conducting Procurement Unit, and Solicitation Number

The State of Utah Division of Purchasing is the issuing procurement unit and Department of Health is the conducting procurement unit for this RFP (referred to as “the State”). The reference number for this RFP is Solicitation #RS190199. This solicitation number must be referred to on all proposals, correspondence, and documentation submitted to the State relating to this RFP.

Additional Information

Offerors are prohibited from communications regarding this RFP with the conducting procurement unit staff, evaluation committee members, or other associated individuals EXCEPT the State of Utah Division of Purchasing procurement officer overseeing this RFP.

Wherever in this RFP an item is defined by using a trade name, brand name, or a manufacturer and/or model number, it is intended that the words, “or equivalent” apply; and invites the submission of equivalent products by the Offerors.

Offerors may be required to submit product samples to assist the chief procurement officer or head of a procurement unit with independent procurement authority in evaluating whether a procurement item meets the specifications and other requirements set forth in the request for proposals. Product samples must be furnished free of charge unless otherwise stated in the invitation for proposals, and if not destroyed by testing, will upon written request within any deadline stated in the invitation for proposals, be returned at the Offeror's expense. Samples must be labeled or otherwise identified as specified in the invitation for proposals by the procurement unit.

The State reserves the right to conduct discussions with the Offerors who submit proposals determined to be reasonably susceptible of being selected for award, followed by an opportunity to make best and final offers pursuant to UCA § 63G-6a-707.5, but proposals may be accepted without discussions.

New Technology

Pursuant to Utah Administrative Rule R33-12-502 the awarded contract(s) may be modified to incorporate new technology or technological upgrades associated with the procurement item being solicited, including new or upgraded: (i) systems; (ii) apparatuses; (iii) modules; (iv) components; and (v) other supplementary items. Further, a maintenance or service agreement associated with the procurement item under the resulting contract(s) may be modified to include any new technology or technological upgrades. Any contract modification incorporating new technology or technological upgrades will be specific to the procurement item being solicited and substantially within the scope of the original procurement or contract.

Evaluation Administrative and Mandatory Minimum Requirement Compliance

Each proposal received shall be evaluated as outlined in this RFP and the Utah Procurement Code.

To be responsive and responsible Offerors must review and respond to the following sections of this RFP: prerequisites, buyer attachments, questions, and items.

- The Prerequisites section includes the objective and subjective criteria that will be used to evaluate the proposals, which include the mandatory minimum requirements, technical criteria, and other prerequisites that Offerors must read and agree to in order to respond to this RFP.
- The Buyer Attachments section includes the standard contractual terms and conditions of this RFP and other documents required for this RFP.
- The Questions section allows the State to ask Offerors questions regarding this RFP.

- The Items section includes the description of the procurement items being sought and allows the Offerors to provide their pricing on the procurement items. Note: This section may or may not be used with every solicitation.

Offerors must review each section carefully.

To determine which proposal provides the best value to the conducting procurement unit, the evaluation committee shall evaluate each responsive and responsible proposal that has not been disqualified from consideration under the provisions of Part 7 of Utah Code 63G-6a, using the criteria described in this RFP.

After the evaluation and final scoring of proposals is completed, the State shall award the contract as soon as practicable (subject to the requirements of Utah Code Section 63G-6a-708) to the eligible responsive and responsible Offeror, subject to Utah Code Section 63G-6a-709(2), provided the RFP is not canceled in accordance with Utah Code Section 63G-6a-709(2)(b).
